

The Art Of Light & Shadows

Portfolio 2023

General Trading Company

In Brief...

Lux and Lumen is a professional lighting company founded in Kuwait in 2017.

The founders, who had contributed themselves to lighting industry over 12 years, came together and led the company towards the present successful days.

We provide innovative and efficient lighting solutions to commercial and residential projects.

We Provide wide variety of lighting types:

Decorative, Architectural & Outdoor

THE SERVICES

1- Lighting Design

Our Designs are innovative, and we always consider the client taste and mood as our priority.

2- Façade Lighting:

We emphasize on each architectural element, in a harmony with the environment, taking into our consideration the maintenance accessibility.

3- Lux Calculation:

Our designers always work on lux studies and standards when it comes to professional design offices, hospitals, factories or any project that needs Lux Studies.

4- Lighting Installation:

Lux & Lumen has a team of highly trained electricians that are always ready to assist our clients on site to assure that the designs made are fully applied.

Mission & Positioning Statement

Our Mission:

Always striving to provide distinctive, innovative and professional services on Local, Regional, and International levels to meet our client's expectation. Keeping our integrity as our foundation.

“ OUR AIM IS OUTSTANDING CLIENT SATISFACTION ... EVERYDAY ”

Positioning Statement:

For Private and commercial clients, Lux and Lumen is your partner that truly delivers remarkable services and creates exceptional experiences; because we are dedicated to exclusive client support.
